

Authentic Southern fried chicken with Jack's twist. We use fresh, never frozen, quarter pound chicken tenders, because...well... you'll see. After a buttermilk brine, we dredge 'em in deliciousness and fry 'em super crispy. Need a little fire in your life? Order them glazed in our Kickin' sauce, a seriously addictive spicy-sweet-sour version. Don't forget the Dippin' sauces: Smoked Honey Mustard, Roasted Garlic Ranch, Black Pepper BBQ, or our Almost World-Famous Lickin' Sauce...
